Hi MPRDESIGNS LLC team,

May I know if your company MPRDESIGNS LLC with EID:
L24000061643 still actively operating this year?

Florida requires an annual report each year. Filing the 2026 annual
report on time avoids the \$400 late fee and business suspension. If
helpful, I have prepared the [prefilled 2026 annual report form for
MPRDESIGNS LLC](#) to review here and my team will file properly with
state the same day.

Thanks,
Joon Min
