Florida Annual Report Due May 1

Stay compliant and avoid Florida's \$400 late fee.

Hi MAKAYLA,

This is a courtesy reminder for **MPRDESIGNS LLC**. Florida requires most businesses to file an Annual Report each year to remain active and in good standing with the state.

Your Annual Report is due by **May 1**. Filings submitted after the deadline are subject to a **\$400 late fee** and may risk loss of good-standing status.

Since Florida's annual report filing window opened, over **300,000 businesses** have already completed their filings. Getting this done early helps you avoid last-minute issues and peak-season delays.

Your deadline is approximately **14 weeks away**. Our quick and easy filing process helps you stay ahead of schedule and check this requirement off your list in minutes.
