File Florida Co.

*Florida Corporation Filing Company
Fast and easy filing services*

MPRDESIGNS LLC,

If you've decided **not to keep your Florida business active this year**, you're not alone — and there's a clean way to officially close things out.

Dissolution lets you formally close your business with the state so you can prevent ongoing state costs & obligations, plus close things out properly and with peace of mind.

We'll prepare and file the dissolution for you in **just a few easy steps**.

Still planning to keep it active?

If you *are* continuing your business into 2026, you'll still need to file your Florida Annual Report to stay in good standing.

We can handle that too — quickly and correctly — so it's off your plate.

Your business will load automatically

As always, File Florida Co. works hand-in-hand with the **Sunbiz** system, so you can file without worrying about lost passwords or login issues.

We have helped **over 200,000** FL business owners file their annual reports quickly & easily to stay compliant.

We look forward to supporting your business through this next filing season.

Warm regards,

The File Florida Co. Team

Our [Privacy Policy](#) and [Terms of Use](#).

File Florida Co. has developed a quick and convenient filing platform, and our experts review your submissions to ensure information is as accurate as possible and submitted timely. We not only assist in reviewing your reinstatement application but we believe our website is extremely user friendly and for this convenience, we do charge a fee. The state filing fees, along with our company fees, are located on our [FAQs](#) page.

IMPORTANT NOTICE: You are NOT required to purchase anything from our company and our company is NOT affiliated, endorsed, or approved by any governmental entity. The filing service offered in this advertisement has NOT been approved or endorsed by any governmental agency, and this offer is NOT being made by a government agency.
